- Global Fleet Certification Initiative
NAFA is the world’s largest not-for-profit membership association for individuals who manage the vehicular fleet and mobility responsibilities for their employers. NAFA propels the fleet and mobility profession through its world-class certification, education, advocacy, and peer networking programs, and is an essential element of success for individuals involved in the profession.
NAFA Certification History

- CFM (Wharton) 1984
- CAFM 1988
- CAFS 2009
- CAFM rewrite 2005
- CBT 2017
NAFA Current Graduates and Enrolments

- There are 648 individuals with current CAFM/S
  - 52 are Associate members

- There are 731 individuals enrolled in the programs
  - 49 are Associate members
CAFM Program Administration

- Pre-requisite – one year in the industry or student at partner University
- Time limits – three years to complete
- All self-study (Reference Guides, Study Guides and PTQs online)
- Exams – test locally at proctored CBT or PBT locations
- College credit – from partner schools or via PLA process
- Fees for member/non-member and enhanced packages available
- Members and Associates can participate
About PARAR

A Latin American institute that gathers professionals involved in fleet management and corporate mobility, players from the automotive industry, mobility startups and other organizations interested in:

- Presenting and debating technological solutions.
- Helping companies to find their purposes.
- Engaging people who want to transform the future.
Nearly 400 professionals were awarded the Certified Fleet Manager title in this program, over the last years. PGF is a postgraduate level course approved by the Brazilian Ministry of Education, with NAFA Fleet Management Association endorsement.
