AUTO FLEET DEPT.

JAN 24 1967

NATIONAL ASSOCIATION OF FLEET ADMINISTRATORS, INC., 120 E. 56th St., N. Y., N. Y. 10022 • JANUARY, 1967

PRESIDENT'S MESSAGE

One of the bench-marks of a "solid" organization is the ability to continue effective operations during an unexpected transition period.

This past month, our Association passed a test of this type when our two-term President, Les Groser, announced that he was taking on an important new responsibility with a leasing firm. I am sure you will join me in expressing to Les our regrets that he will no longer be affiliated with our Association and our thanks for his past contributions to NAFA. He can be proud of the important part he has played in the growth and success of our Association. It is a testimony to Les's leadership and the strength of NAFA that our activities have been uninterrupted and that all programs are proceeding as scheduled. Our very best wishes to Les for every success in his new position.

Members Approve Dues Change

As you know, you were recently asked to vote on a proposed motion made by our Governing Board regarding NAFA's dues payment schedule. Your response to this motion overwhelmingly favored its adoption (98% in favor). The adoption of this motion will help to strengthen our Association, and the Governing Board appreciates this indication of your continued excellent support.

NAFA's Canadian Chapter

As mentioned in last month's *Bulletin*, the Canadian Chapter of NAFA held their first meeting in December. I had the privilege of attending this charter meeting and want to add my personal word of congratulations to this outstanding addition to our Association. Our Canadian members' enthusiastic interest in professional fleet management will certainly add to the value of our Association to all NAFA members.

They are planning to hold a series of meetings within the next few months and I know a large dele-

gation will attend our annual Conference where you will have an opportunity to meet our friendly Northern neighbors.

'67 Conference Plans

The plans for the '67 annual conference are progressing on schedule. Our Conference Chairman reports that our 10th Anniversary Conference will be a fitting tribute to NAFA's first decade of progress.

The theme of the Conference is "Your Gateway to Ideas - for Effective Fleet Operation." The workshops, seminars, discussions, and the opportunity to meet fleet men from all over the country will provide you with a wealth of stimulating ideas you can use to improve your fleet operation.

As a final word, if you have not already done so, now is a good time to mark the dates of our 1967 Conference, April 4 through 6, on your calendar.

Very truly yours,

C. G. O'DELL
