

THE ROAD to NAFA Sustainable Fleet Accreditation

Fleets will be awarded an accreditation tier based on the total number of points earned in the rating process. The granularity of the data you submit is entirely up to you, depending upon the level of attainment you wish to achieve.

1

COMPLETE THE USER INFORMATION AND SUSTAINABLE FLEET PLAN

Once you're enrolled in the program, tell us more about your **COMPANY, FLEET,** and **SUSTAINABILITY PLANS** within our simple Data Collection Tool. ***This information will be kept confidential.***

2

PROVIDE HISTORICAL DATA & MORE INFORMATION

Complete the remaining sections of the Data Collection Tool to illustrate how you've **IMPROVED YOUR FLEET'S SUSTAINABILITY** over time.

3

RECEIVE A FLEET REPORT CARD

After all data is collected and processed, receive your Fleet Report Card with tier achieved! We'll also provide a checklist of steps to further **REDUCE YOUR ENVIRONMENTAL IMPACT** and to achieve more advanced accreditation tiers.

4

CONGRATULATIONS! YOU'RE A NAFA SUSTAINABLE FLEET!

5

TELL THE WORLD!

SIGN THE 2 YEAR LICENSE AGREEMENT and then you can tell the world about your accomplishments. ***We'll give you the tools to do so.***

6

CONTINUE LEARNING ABOUT FLEET SUSTAINABILITY

Receive valuable ongoing **INSIGHTS,** ongoing **SUPPORT,** and **BENCHMARKING STATISTICS** to help you further reduce your footprint and further advance through the tiers.
